COED CLUB

The purpose of the Coed Club is to give direction to the social life of the women at Thornton and to promote a friendly spirit.

Activities of the club range from teas to the annual formal dance, the Staggette.

At the Spring Luncheon the Activity Cup is awarded to the sorority who has participated in the most curricular and extracurricular activities. To obtain this award is one of the main goals of every sorority.

Once again Mrs. Phyllis Davis sponsored the club. Besides being a counselor, Mrs. Davis has worked with the women of Thornton to successfully carry out the purpose of this organization.

This year 200 freshmen were initiated into the organization, bringing the total number of girls to 280. This is one of the largest memberships for the Coed Club.

MEN'S CLUB

Thornton Junior College's Men's Club, under the guidance of Gilbert Anderson, has once again shown its value to the college. Besides sponsoring the monthly smokers and two annual bowling dates, Men's Club has also raised money for charitable organizations and donated workers for many of the schools social and curricular activities. The highlite of the year, however, came in the spring when all the men of the fraternities banded together to treat their mothers to a night on the town. Good food, entertainment, and laughs for all was the repartoire for the evening.

STANDING (left to right) Jim Barnes, Delta Tau; Norm Weesoh, Alpha Kappa; Bob Staecker, Chi Epsilon; and Wally Bissonette, Psi Alpha. **SITTING:** Terry Grider, Zeta Psi; Rich Estes, Vice President; Bill Foster, President; and Harold Krough, Secretary.

Thornton Junior College's Student Senate is a representative form of government for the students. It deals mainly with the discussion of pro and con sides of school policies throughout the school year. Other responsibilities of the Student Senate are preperations for the Homecoming dance, the Prom and some of the mixers and gym jams.

DRAMA SOCIETY

The Drama Society at Thornton Junior was established to give it's members a chance to participate in the art of drama and stage acting. The organization sponsors an art festival and a student workshop. Mr. Brand mentioned "So far I have received excellent help and great cooperation from my department."

Layouts, copy, photographs, and deadlines were the components of this yearbook. Beginning in late summer, the yearbook staff worked to meet deadlines ahead of schedule and as the last deadline approached in March, this plan was happily completed. **Editor's Note:** I would like to thank the members of my staff for the help they gave me. In the case of the yearbook, the old cleashea, 2 percent inspiration — 98 percent perspiration, did not hold true, for their work was 100 percent inspiration and 100 percent perspiration. Thank you again!

NEWS BUREAU

The News Bureau serves Thornton Junior College as a Public Relations Agency. Any important news or changes that take place at the school is sent out to local newspapers and radio stations by the News Bureau. This year the Bureau is headed by Marcel Pacatte.

COURIER

The Courier is the school's newspaper. It serves students and faculty by reporting news of interest in all fields. Until this year the paper has been bimonthly, however, now the paper is printed and released once a week.

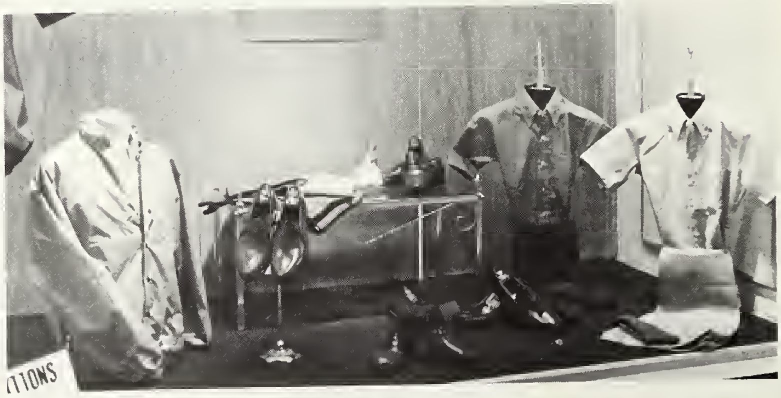
CO-OPERATIVE MERCHANDISING



MID-MANAGEMENT CLUB

In 1964, another club was added to those already involved with Thornton Junior College. The College Round Table was formed by some of the students at T.J.C. and was formed with the idea of freedom of speech. Members of the club, and anyone interested in public discussion are free to express their opinions on any subject they desire. Although the club deals mainly with student discussion and leadership, the club is led under the guidance of Dale Chapman.

Gymnastics

Since its start in 1960, the Women's Recreation Association has supplied ample opportunity for the women of Thornton Junior College to participate in extra-curricular activities. Volleyball, basketball, gymnastics, and swimming are just a few of the sports in which the women of the school are given a chance to compete at their own level.

N.S.F.

The Newman Student Foundation is a revelation of the former Newman Club. It has now changed its "Catholic only" aspects of religion and is opened to all religious denominations. Included in the changes of N.S.F. is that religion is not the only topic for discussion. Politics are now a major part of the members thoughts and ideas. The organization plans to move along with the school to its new campus. Meetings were informal and open to all.

LETTERMEN'S CLUB

Thornton Junior College's Lettermen's Club, headed by Bill Francis, consists of letter-winning members of each of the school's major sports. Yearly activities of the club are the selling concessions at the games, a banquet in the spring, and sponsoring the intramural sports. Members of the cheerleading squad are also included in the club.

CIRCLE K

The Circle K enjoyed one of the most satisfying years in its history. As an organization dedicated to service around the community and school, Thornton's Circle K sought and achieved its objectives.

Headed by Wayne Weinberg, president, Jeff Waldony, vice-president, Rich Hanninger, secretary, and Bill Stojak, treasurer and co-sponsors Bailey Magruder and Frank Stanicek, the Circle K was an active part of Circle K International.

Circle K sponsored the Miss T.J.C. dance in the fall and the U.M.A.T. dance in the spring and also took part in various community projects such as the Kiwanis Peanut Day, Operation Christmas Card, and the March of Dimes.

The long months of work were climaxed by Circle K's annual convention which was held at Northern Illinois University, DeKalb, on April 2. Many of the members became a more intimate part of Circle K International through this meeting.

ACTIVITIES

"Spring Showers," the annual spring tea was sponsored this year by Delta Sorority. Finger sandwiches as well as cookies and punch were served. The Coed Room was brightly decorated welcoming spring. Merle Norman favors were given to the girls along with an invitation to see their line of cosmetics.

Miss Adelaide Childs and Mrs. Phyllis Davis were the honored guests.

ELECTION COMMISSION

The Election Commission serves Thornton Junior College by registering new students for voting. The Commission also plans the elections and count all the votes.

Kappa Sorority, of the Coed Club, sponsored the Open House for men, held Jan. 4th in the Coed Club room. Submarine sandwiches and punch were served to the male members of the faculty and student body. Sue Rzab is head of Kappa.

COED BREAKFAST AND FATHER-DAUGHTER BANQUET

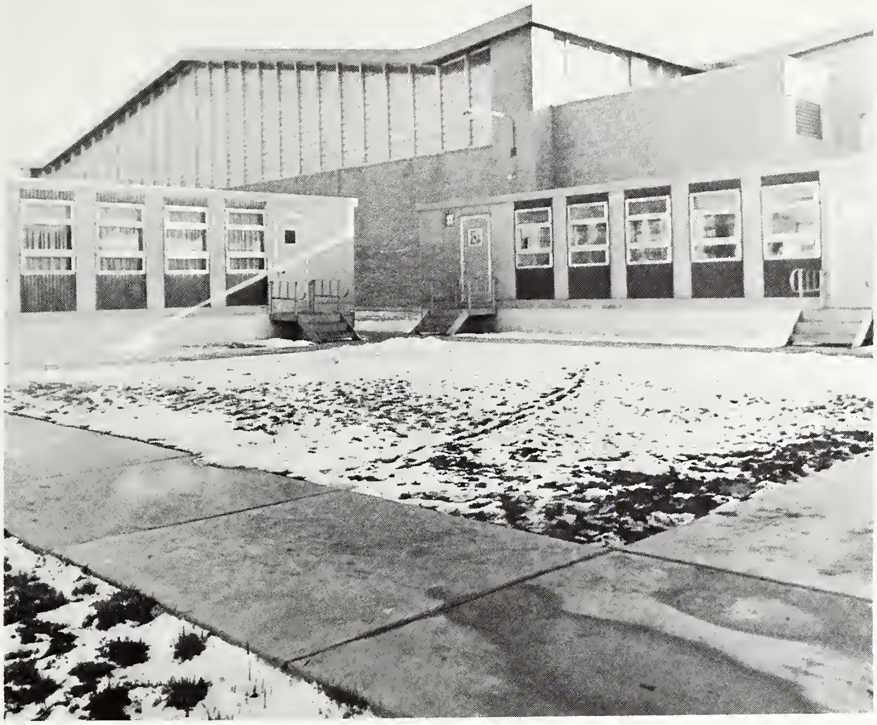
In order to raise money for their club, the coeds sponsor the annual Coed Club Breakfast. This year's breakfast was held on February 6. The members of the Coed Club and their "Daddy Dates" went to Chuck Cavalini's Restaurant this year for the annual Father-Daughter Banquet. The evening started at 6:30 and Mr. McGinnis, the lucky father had the choice of $20 in cash or a night at the Playboy Club.

T.J.C. PAST, PRESENT, FUTURE AND

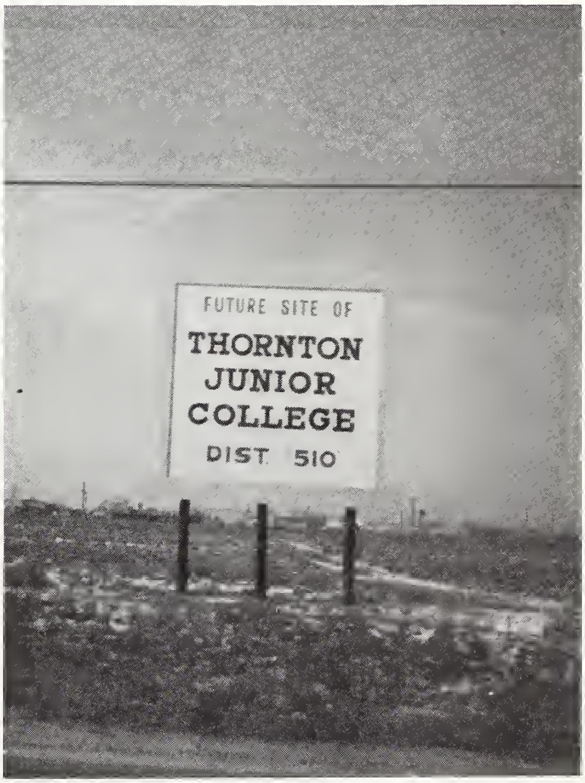
From 1927-1929, Charles Van Cleve headed Thornton Junior College as Dean. It takes a lot of time, hard work, and patience to start a junior college, and Dean Van Cleve was the kind of man who had these qualifications and gave J.C. its start.

For a long time in American history our nation lacked any kind of junior college. Large colleges and universities were built and praised as the institutuions for our future leaders. Eventually junior colleges were built and from 1900 to 1930 the number of junior colleges rose from 35 to over 400. On September 19, 1927, Thornton Junior College joined the 400.

In 1929 James L. Beck took over as Dean of the College. T.J.C. was still a part of Thornton High School at this time but Mr. Beck was to see a great many changes.



Lee E. Dulgar became Dean of the College in the Fall of 1957. Through the leadership and guidance of Dean Dulgar the junior college has been able to move some of its classrooms from the high school to the mobile units. Plans are now in the making to move Thornton Junior College to its own campus.



It is easily seen that Thornton Junior College has grown and is still growning. So to the people that have helped it grow, the leaders, the teachers, the students, and to the people that will contribute to the future growth of Thornton Junior College, we say. . . THANK YOU.

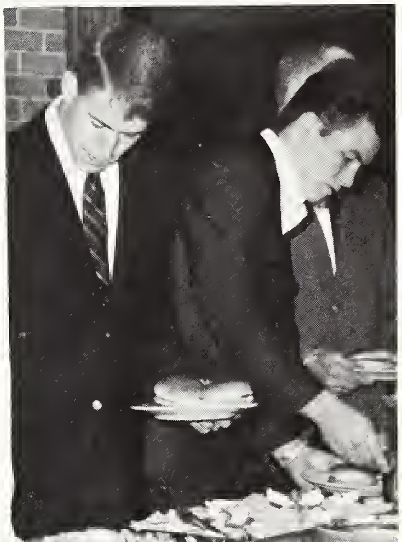
Plans for the Little Sister Tea were made by Sandy Palm, Coed Club's first Vice-President. Sandy served as hostess of the tea, an annual event of the club, at which freshmen women are chosen for sorority membership.

Judy Kurth, Coed Club president, chooses and Jan Tryka, club secretary, reads the names of freshmen girls chosen for sorority membership from the traditional loving cup. Previously girls chose the name of their sororities from the cup. This year, however, the girls names were put in the cup and the sororities chose.

FACULTY TEA AND SMORGASBORD



"Teahouse of the Autumn Moon" with its Oriental decor was the quiet setting for the Coed Club's faculty tea. This year Alpha sorority sponsored the tea at which the faculty was served cookies and punch and were entertained by the sorority members.

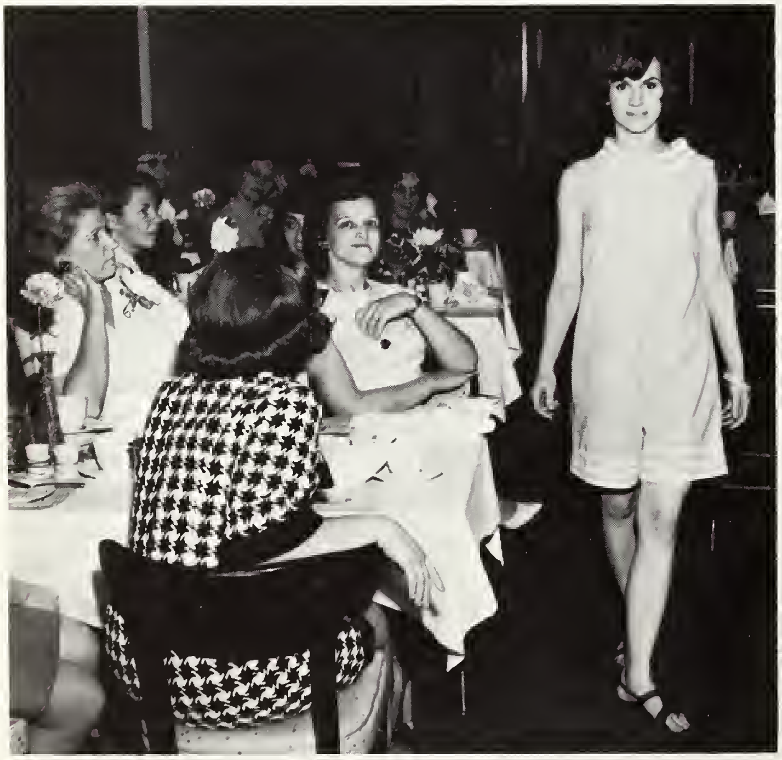
Students enjoyed the delicious food and congenial atmosphere of Gamma sorority's Sadie Hawkins' Smorgasbord.

"THE LITTLE FOXES"

Thornton Junior College's fall play put on by the Drama Society, was entitled "The Little Foxes." The plot of the play was that of the way in which members of a family conived against each other to better themselves. The play was as good as any ever put on at Thornton Junior College and the actors were to be commended.

MOTHER-DAUGHTER BANQUET

The annual Mother-Daughter Banquet, sponsored by the Epsilon Sorority, was held on April 11, at the Club Alegro. The highlight of the evening was a fashion show in which the girls of the sorority modeled. Fashions for the show were furnished by Helen's Women Wear of Harvey.



SLEIGHBELL BALL

WINTER FORMAL

This year's annual Sleighbell Ball, sponsored by the Men's Club, was held on December 15, from 8:30 to 11:30 at the Dixie Governor Motel. As couples danced under traditional holiday decorations, the mood was set by the music of the Westwoods. The evening was a big success as the Christmas spirit filled all who were there.

MEN'S CLUB MOTHER-SON BANQUET

Mothers of Thornton Junior College men are paid honor every year by the annual Mother-Son Banquet sponsored by the Men's Club. Last years banquet was held at the Beverly Woods Restaurant. Mothers and sons were entertained by the talented comedian Bob Caldwood.

HERMAN PARAMECIUM DANCE

The theme for last year's Student Senate dance was Happy Birthday Herman Paramecium. The unusual name was a result of the dance being held during National Paramecium Week.

To celebrate the occasion, two birthday cakes and refreshments were served in the Student Center.

Reigning over the affair was Miss Paramecium, Mary Jo Faloona. She was selected by random selection and given her title by Barb Kinser, the former Miss Paramecium.

BOWLING TOURNEY

Thornton Junior College's Men's Club is an organization that gives the men of T.J.C. a place to go and things to do. However, as odd as it may seem the Men's Club is also concerned with the women of the school. For instance, the club sponsors activities such as the coed bowling tourneyment, and the coed smokers which are held during the school year to insure the men and women students of Thornton Junior College a delightful night of fun and exercise. Yet, when the Men's Club holds a smoker for the men only, you can be sure that it will be a night for big discussions or just chewing the rag. Whatever is planned you can always be ready for an enjoyable night.

HARDING'S—CHICAGO

Handsome gentlemen, beautiful ladies and the scent of lovely flowers made this evening a night to remember for many.

Throughout the year, the Women's Recreation Association girls keep active and busy. The W.R.A. sponsors a gym jam, a taffy apple sale, and coed sports. Joan Dautel is this year's president and Mrs. K. Clauson is their sponsor. The club is always open to girls who desire to join the club.

W.R.A.

The Newman Student Foundation held several student activities this year. Below are scenes taken of the dances held at the Knights of Columbus Hall and the Thornton gym.

N.S.F.

Circle K once again sponsored Thornton Junior College's annual Miss T.J.C. Pageant and dance to find the prettiest girl at Thornton Junior College. Any girl sponsored by a school club, fratrenity, or sorority and having a C average was eligible for the contest.

A panel of judges from the Harvey Kiwanis Club selected five finalists and then Miss T.J.C. on the basis of poise, posture, grooming, general appearance, and responses to questions.

Karen Gordon was crowned Miss T.J.C. by Diane Wachala who thus ended her year's reign.

On Karen's court were Arlene Orcutt, first runner-up; Holly Hybert, second runner-up; Pam Willett, third runner-up; and Laurie Tokarz, fourth runner-up.

The Disciples of Mayhem were featured for musical entertainment.

MISS T.J.C.

SPRING LUNCHEON

Once a year the freshmen members of the Coed Club pay honor to the sophomores with the annual Spring Luncheon. Last year's luncheon was held at the Holiday Inn in Chicago Heights, on May 20. Activities consisted of the installing of new executives, a skit put on by the freshmen girls, and a will left to the freshmen by the sophomores.

CONCERT

The Thornton Junior College Concert Choir, under the direction of J. Albert Kindig, opened up their season with a November performance at Chicago's Orchestra Hall. Sacred works were sung in German, Latin and English. In December, the choir had the privilege of presenting George Frederick Handel's Messiah with orchestral accompaniment. In March, the choir sang at the Flower and Garden Show presenting lighter works of the folk-song style with guitar accompaniment. In May, the sacred works of Mendelssohn's Elijah were performed. The choir ended their season with their final performance at the annual Commencement ceremonies.

NURSING

One of the new looks at Thornton is the student nursing program. The curriculum, which began in 1965, is limited to 60 freshmen and 60 sophomores. It is hoped to include 250 students when the college is moved to its new site.

The nurses have three parts to their program: lecture, lab, and practical experience. Lab consists of 6 movie-sound booths where the girls learn to use equipment before going into the hospital.

The girls travel to different hospitals to practice what they learn in class. The hospitals include St. Francis, Tinley Park, and Ingalls Memorial.

NIGHT SCHOOL

Learning to get ahead or just learning for fun were the reasons for the rapid growth in the number of people enrolled in night school this year. Classes for college credits and classes for enrichment of the mind were offered, and both types were filled to capacity. Because of the rapid enrollment and different interests, many new types of classes were added and it is hoped even more will be added next year.

FOOTBALL

Thornton's gridder finished above the .500 mark for the season and capped the successful year with a 7-7 tie with Wright, one of the nation's top 20 junior college football teams. Two of Thornton's defeats came at the hands of rugged Wilson Junior College, and the third loss was to Joliet. It was later avenged. Other highlights included a tie in the Homecoming game and rugged defensive play throughout the season.

Assistant Coach John Carlson give last minute instructions to lineman Rich Chica before a crucial play.

Bill Wragg and Jim Demakos show Coach John Carlson that good blocking is just one of the many tactics necessary for a winning football team.

An on-the-mark pass from the quarterback and a good catch by flanker Charley Stevens adds up to another good gain for Thornton.

Defensive end Marty Novak stops a Joliet back from a big gain on an end sweep.

Floyd Combs shows that driving legs and falling forward are two more ways of getting that all important first down.

A lapse in the usually good Thornton pass defense allows one to slip through.

Only a little yardage is going to be gained as the Thornton defense closes in the Joliet runner.

Body conditioning is only one point a coach must stress for a winning season.

Head Coach Ed Bonczak and Assistant Coach John Carlson put together a game plan.

An all around good player must learn several types of blocks.

Practice makes perfect as blocking forms for another long gain for Thornton.

Highlighted by the running of two sophomores and three freshmen, Thornton's cross-country team finished with a 5 win and 4 loss season. Thornton was a much better team than the statistics show. Running against the likes of Lincoln and Trinity and losing to both by small margins gave our team a winning record. With three returning lettermen, next year's team will have a power house potential.

Finishing under a full head of steam is Mike Schnable for Thornton.

Cold and windy weather are two obstacles that these Thornton Junior College runners must face during their meets.

Thornton's Pat Gough comes out of the woods toward the finish line.

Coach Bill Francis hands ticket to Andy Bukowski as he finishes.

STANDING (left to right) Pat Samion, Ken Williams, Scott Robertson, Rick Fignar, John Hoogeverf, Jim Carson, Harry Chatmen, Rich Johnson, Jim Brask, Wayne Rampke, Vic Morris, and Terry Noe.

After only token success this season there will be a building year coming up as six of the starting twelve will graduate. Coming back, however, will be a hard core of six freshmen who should have the potential of making this team a power house. Ominously doubed "Finks Five" this team did brake one long jinx. For the first time in the recent history of the school they won their own Christmas Tournament.

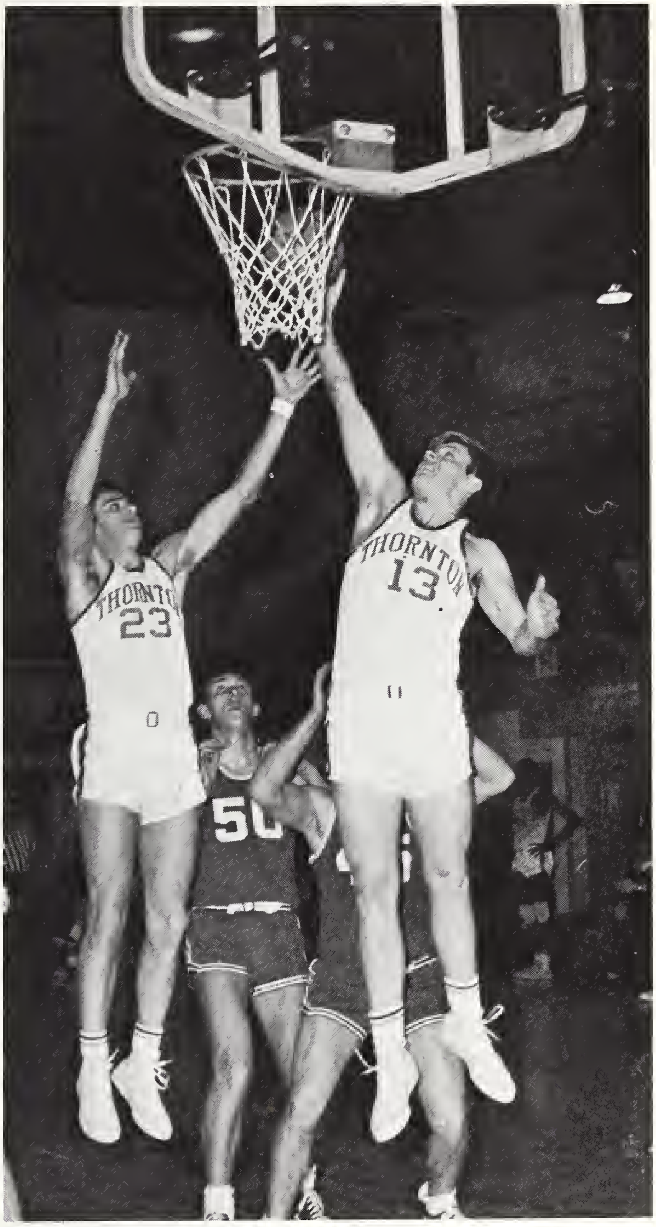
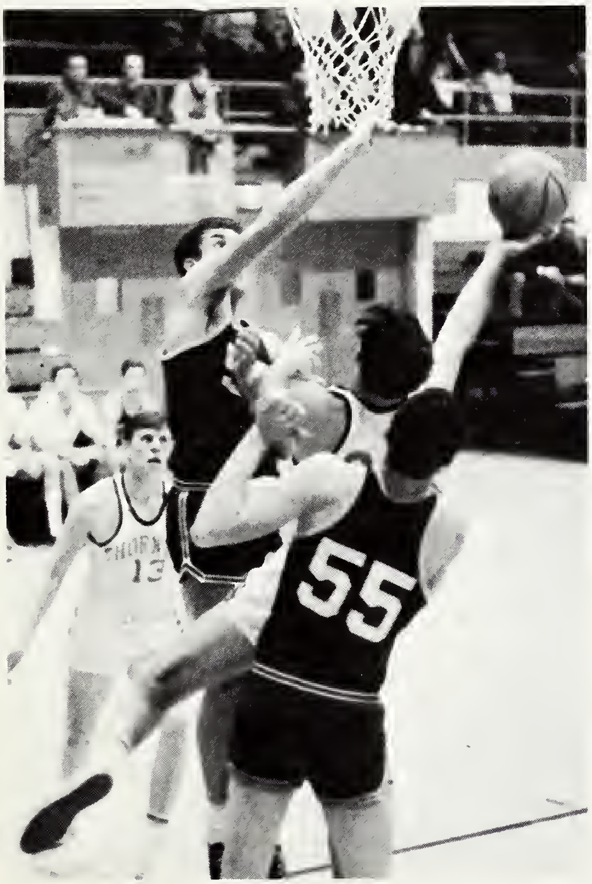
Going underneath is a Thornton player to make a difficult backhanded lay-up.

A fine show of Thornton's complete domination of the boards is shown as no one is near except Thornton players.



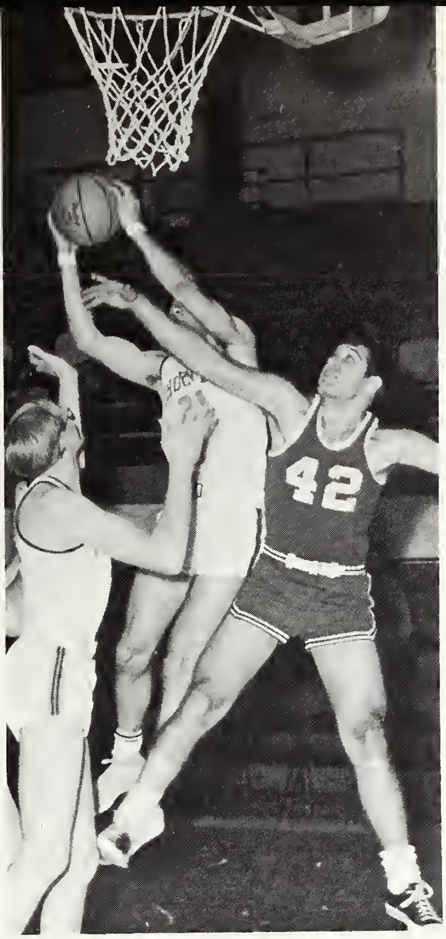


The hook shot, a hard shot to master and a hard one to defend against, is used by Thornton against a taller opponent.

John Carson uses his height to good advantage as he scores an easy two points for Thornton.

Scott Robertson shows them how it should be done as he dribbles in for a score.

A mad scramble is on for the loss ball as both Joliet and Thornton are in position for it.



The art of rebounding, an important skill in basketball, is demonstrated to perfection by this Thornton player.

Converging on the ball is Thornton's Jim Brask and others of the team as the position of the ball is undecided.

Coach Fink and his starting five, recently doubed "Finks-Five" talk about the game plan.

Showing unusual form in wrestling, a Thornton matman works toward a pin.

Coming off of an only so-so season of five wins and four losses, Thornton made a good showing in post season events. Led by the undefeated season of Josh Frank, Thornton finished third in their conference. Thornton also finished fourth in their conference, behind a national ranked Joliet team and a very strong Moline team. Season standing, however, did not do the team justice for if the two close finishes between Triton and Grand Rapids the season could have been very difficult.

Tenseness and concentration is evident on the faces of the wrestlers as they prepare for the start of the meet.

Using a surprise move this Thornton wrestler dumfounded his opponent and went on to win his match.

In its third year of existance, under the able leadership of coach Pete Schloss, Thornton has come into its own indoor track. Indoor track, sometimes considered the easier division of track, is still demanding in speed and endurance.

Drawing much of its talent from the other great teams of Thornton, the J.C. Indoor Track team is becoming a feared competitor.

INDOOR TRACK

Using his command lead to his advantage, this Thornton runner coasts to an easy win.

With the sound of the gun, feet fly and bodies move all trying for that first place.

With a big lead, a graceful spread eagle over the hurdle is all this runner needs for a win.

Around the turn and into the stretch, the sight of the tape is inspiration.

High jumping, one of the hardest individual sports, is shown easy by this Thornton man.

Mrs. Sherman, Adviser.

CHEERLEADERS

Susan Rzab

Donna Reed

Pam Ball

Besides agility and grace, cheerleading is an important part of college sports. The backing of a home crowd and the exuberance added by the cheerleaders can be the difference between defeat and victory. The moral boosting power of cheerleaders cannot be seen on a won and lost record but can certainly be seen in the overall out-look of the team.

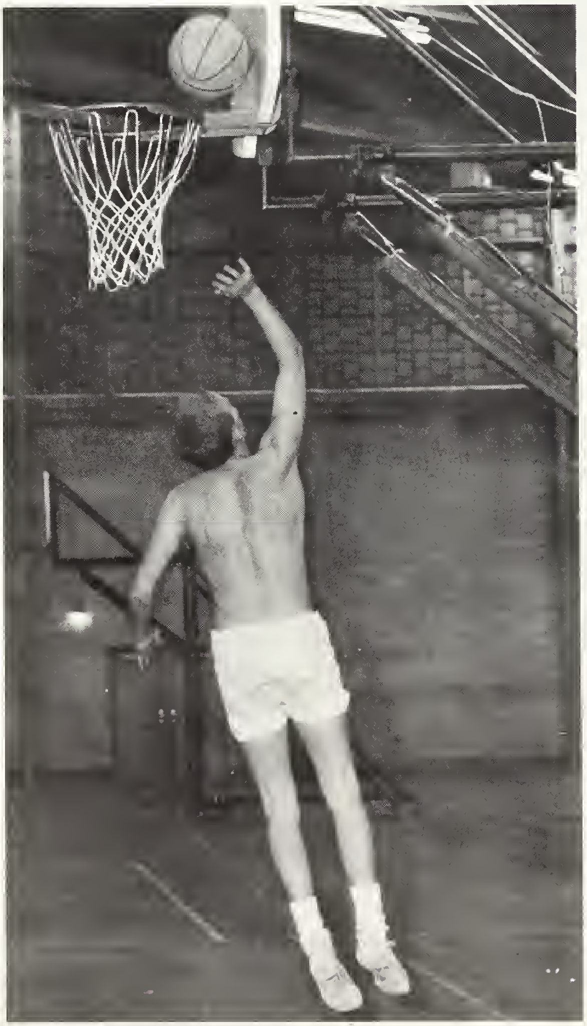
INTR

Charging in and laying up the ball with the hope of it going in.

Putting it up easy but fast a sure two points were scored.

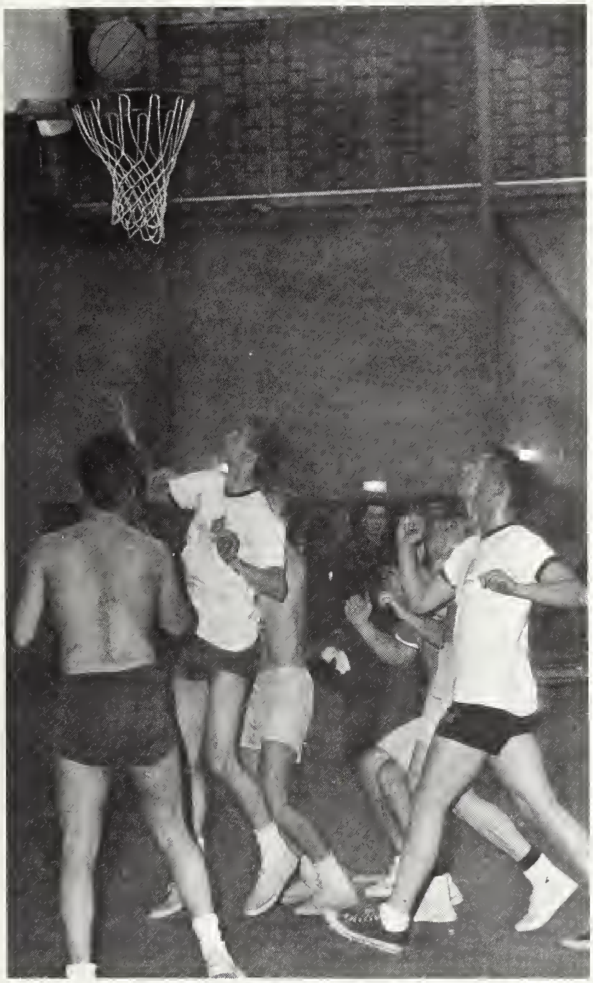


Intramural basketball at Thornton Junior College was an overwhelming success in 1967-1968. The intramural program, the biggest in T.J.C.'s history, consisted of 18 teams divided into two leagues, the National and the American. Under the leadership of Coach Ed Bonczyk, the teams played scheduled games on Monday and Wednesday evenings.

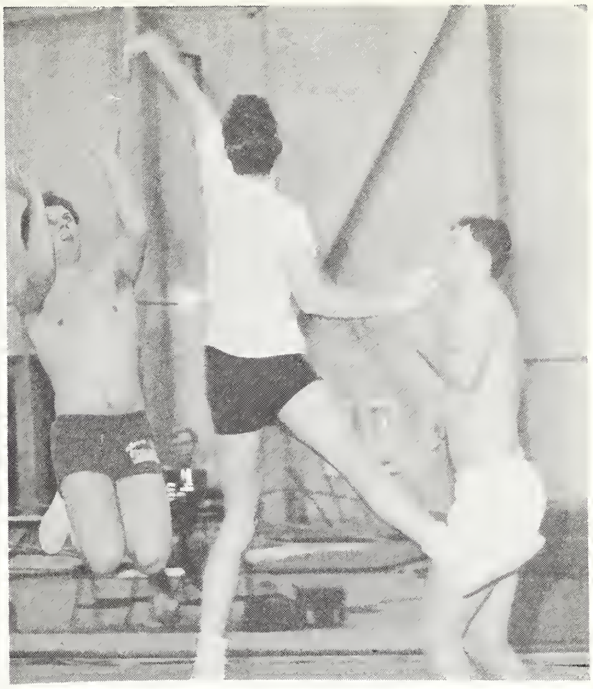
All alone under the basket this isn't a test for the type of play in the league.

MURALS

With the ball hanging in the air the players move in for the possible rebound.



Although the intramural program was not very active in former years at T.J.C., it has grown in popularity ever since it became co-ordinated with Men's Club four years ago. Activities such as volleyball and table tennis were offered at first but were later terminated due to the popularity of basketball and the lack of facilities. Hence, ever since 1966, basketball has taken over as the sole intramural activity.



Getting as much height as possible to attempt to block the shot, this player did not have enough as his opponent got the shot off.

Going up for the rebound are two members of the team, doing so with success.
